FT118 enroute to Moon Creek School area for grass fire.

Phone report of a Wildland fire in T5N R45E SEC 9. Responded FT118 with Dunning, J. Petroff, Vernholm and FT117 with Miller and Wheeler. Met local land owner Jones who indicated easiest access would be through Kasky's. Arrived to find fire burning in grass and timber around the upper slope of flat-top hill. Initial attacked fire with Fedco pumps and hand tools. Containment lines put in with County blade around 75% of fire. Dozer to complete line in the AM. Fire contained at 2200 on 08/17/06. Ft117 returned to station. Rain and hail through night assisted with control. Dozer canceled in the AM. Mopped up and patrolled fire through the day. BLM engines released at 1300. Fire controlled at 1600 on 08/18/06. Landowners informed about possible risk areas and the need to patrol for the next few days.
